I was so busy yesterday?

Lisa: Hi, Mandy! How was your day yesterday?

Mandy: It was so boring, Lisa. I wasn't very happy.

Lisa: What did you do?

Mandy: I didn't go anywhere, I stayed at home. First, I cooked lunch with my mum in the kitchen, but then, I didn't do anything.

Mandy: What about you?

Lisa: I had fun with my family. We didn't stay at home. We visited the zoo and met the panda cubs.

Mandy: Look! Will is coming. Hi Will!

Will: Hi girls!

Lisa: I saw the photos you sent me yesterday. What did you do?

Will: I was very busy yesterday.

Mandy: You? Busy? That's new.

Will: I spent the day with Mike.

Lisa: Did you play together?

Will: Yes, we did. First, we played computer games at home. Then we went to the new Italian restaurant that opened last week. We weren't very hungry, but we had lunch.

Mandy: Was the food yummy?

Will: Yes, it was. We bought a pizza. We loved it. After that, we walked Mike's dog.

Lisa: Mike has a dog??? I didn't know about it.

Will: Oh, yes. He jumped into the river but he couldn't swim because the water was too cold. Mike started to panic, of course. Not like me! I jumped into the river and saved the dog.

Lisa: Oh, look who's coming! Mike! How's your dog?

Mike: Dog? What dog? I don't have a dog.

Lisa: But you spent the whole day yesterday...

Mike: ...at home with my family.

Lisa + Mandy: Will, you, liar!

Boosty: Don't believe everything you see on online.
