The Best Pet!

Teacher - Good morning children! Today is a very special day, it's a pet day. So, your task is to talk about an animal you really like. It can be your pet – an animal you have at home, or any animal you like. At the end of the day, you will decide which pet is the best.

Children - My dog is the best! No! My rabbit is the best! No no! My parrot is the best! It can talk!

Teacher - Stop! Let's see what animals you like and why.
So, who wants to start?

Lisa - Meeee! Let me tell you about the dolphins. Dolphins are very smart – they can talk. They are very friendly and help each other. They can save people too.
They live up to 50 years! I think dolphins are the best because they are really smart and helpful.

Teacher - Thank you Lisa, well done! Who's next? Ben, show us your pet!

Ben - Let me show yooooou.... Mr. Noodle!

Teacher - Is it dangerous?

Ben - Not at all! Don't worry! So Mr. Noodle... has no legs, but he can move really fast. And he can dance! He can fight well by hissing (ssssssss) And finally! Mr. Noodle can live months without eating. So, snakes are my favourite pets because they are really special and easy to take care of.

Teacher - Thank you Ben, that was really interesting. And the next one is...Mandy! So what is the best pet for you, Mandy?

Mandy - My best pet is my rabbit Fluffy. I love her.
She has strong legs. She can jump high and far. She has soft fur. I love cuddling with Fluffy. So rabbit Fluffy is my favourite pet, because she is soooo cute.

Teacher - Thank you Mandy, good job! And how about you, Lucas? Are you ready to show us your pet?

Lucas - This is Rico. My best friend. We go for walks together. He can talk and he can make funny noises. He has lovely feathers and beautiful colours. He likes showing off. Rico: "say goodbye".

Rico - Goodbye.

BOOSTY - Last but not least, boys and girls! Let me show you the best animal. PANDA! We eat a lot of bamboo, and we like a quiet place to hide and relax. It's easy to take care of a panda. Pandas are cool.
